Intended Means of Travel:

How do you plan to travel? This may change. We just want a general idea of who will be flying, renting a car, needing airport transport, dropping in by hot air balloon, driving from within the EU, etc.

Final Note:

Retreats are meant to be safe, enjoyable experiences for all involved. We reserve the right to ask anyone causing disruption in a belligerent manner towards others or who might be a danger to themselves or other retreatants to leave the premises immediately without refund.
